Mural Quadrant?

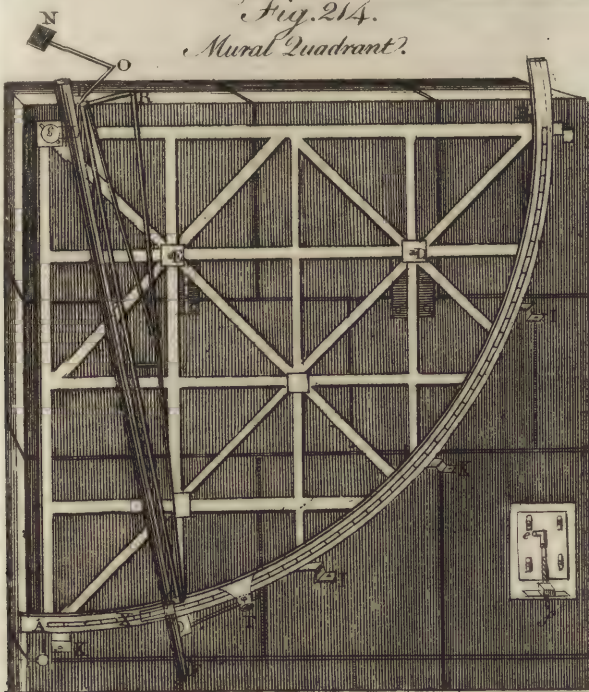

Fig. 215.

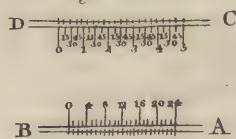

Fig. 218.

A diagram of a ringed planet, likely Saturn, viewed from the side. The planet is represented by an oval with horizontal hatching. A vertical line passes through the center of the planet, with points labeled 'a' at the top, 'E' at the top of the ring, 'D' at the center, and 'C' at the bottom. The letter 'A' is on the left side of the planet.
